

What is a School-Parent Compact?

A School-Parent Compact is a jointly developed agreement with parents. The compact outlines how parents, the entire school staff, and students will share the responsibility for improved student academic achievement and how they will work together as partners to make sure all students reach grade-level standards.

Effective compacts:

- Link to goals of the School Improvement Plan
- Focus on student learning skills
- Describe how teachers will help students develop skills using high-quality instruction
- Share strategies that parents can do at home
- Explain how teachers and parents will communicate about student progress
- Describe opportunities for parents to volunteer, observe, and participate in the classroom

Jointly Developed

Together, the parents, students and staff of Cowan Road Elementary developed this School-Parent Compact for achievement. Teachers suggested home learning strategies, parents added ideas to make them more specific, and students told us what would help them learn. Meetings are held each year in the spring to review the compact and make changes based on student needs and school improvement goals. Parents are encouraged to attend and are welcomed to contribute comments or suggestions at any time. Parents are also encouraged to participate in the annual Title I parent survey that is used as a tool to collect parent feedback regarding current Title I programs and policies.

If you would like to volunteer, participate and/or give feedback, please contact Allison Baker or Angie Roth, at 770-229-3790, at allison.baker@gscs.org or angie.roth@gscs.org, or in person at 1233 Cowan Road, Griffin, Georgia 30223.
